Pursuant to section 43 of the Anti-Terrorism (Amendment) Act, 2019 and section 3A of the International Obligations (Economic and Ancillary Measures) Amendment Act, 2019 (“IOEAMA”) the National Identified Risk Framework Coordinator has requested that the Insurance Commission of The Bahamas (“the Commission”) circulate the following Notice regarding the Central African Republic.

Please note that the Security Council Committee pursuant to resolution 2588 (2021), renewed the arms embargo, travel ban, and assets freeze imposed on the Central African Republic for another 13 months. These measures require all States to take steps to prevent the supply, sale or transfer of arms and related material — as well as technical assistance, training, financial or other assistance related to military activities to the Central African Republic, from or through their territory or by their nationals. Companies are also required to notify the Commission of nil results, in writing, regarding the Central African Republic.
