PUBLIC NOTICE

TO: ALL INSURANCE COMPANIES

DATE: MARCH 9, 2026

RE: INVITATION TO PARTICIPATE IN WORLD BANK ASSESSMENT

The Insurance Commission of The Bahamas (Commission) invites you to participate in an assessment by The World Bank of the disaster risk financing landscape in the Caribbean. As a key stakeholder in our regional insurance market, your insights are vital to understanding the current dynamics and challenges in providing affordable disaster-related coverage.

The primary objectives of this survey are to identify market barriers, determine market dynamics, and, if appropriate, inform policy development by providing The World Bank with the necessary data to design solutions to the identified constraints effectively.

The Commission kindly requests that the CEO or a senior manager complete the survey by the end of the day on Thursday, March 12, 2026. The expected completion time for the survey is 30–45 minutes. All responses will be treated with the strictest confidentiality, and data will be aggregated and anonymized by The World Bank for analytical purposes. See link to the survey here: [Binding Constraints of Insurers for Providing Disaster-Related Insurance to MSMEs and Individuals in the Caribbean Survey](#).

Your contribution is an essential step toward building a more resilient economy and ensuring that our most vulnerable business sectors have the tools they need to recover from natural disasters. Thank you for your continued commitment to the stability and growth of our insurance market. The Commission looks forward to your valuable input.

For further information, please do not hesitate to contact The Insurance Commission of The Bahamas at info@icb.gov.bs, visit our social media pages, or visit our website at www.icb.gov.bs.

Dana Munnings-Gray
Superintendent of Insurance
