Re: Revised Guidelines for the Compliance Function – Follow-up to Public Notice dated May 18, 2026 on Implementation of Regulatory Guidelines and Deferral of Director Certification Reporting Requirement

The Insurance Commission of The Bahamas (“the Commission”) issues this Public Notice as a follow-up to the Notice dated May 18, 2026, concerning the implementation of regulatory guidelines and the deferral of the director certification reporting requirement.

The Commission now publishes the *Revised Guidelines for the Compliance Function* for public consultation and invites feedback from registrants, licensees, and industry stakeholders. The Consultation period will remain open until **Friday, September 11, 2026**.

Visit our website at icb.gov.bs, to access a draft copy of the *Revised Guidelines for the Compliance Function*. Feedback should be submitted electronically to info@icb.gov.bs.

All applicable guidelines are available on the Commission’s website at www.icb.gov.bs/legal/guidelines/

The Commission appreciates the continued cooperation of registrants and licensees and encourages stakeholders to provide comments during the consultation period and/or contact the Commission directly should any clarification or further guidance be required.
